

BECOME A GRANTMAKER!

Bath Women's Fund brings together women as philanthropists to learn about and support organisations working with women, girls and families across our local area. As an all-volunteer giving circle, our collective response to local needs has a greater impact in supporting local communities - because together our giving makes a bigger difference.

Bath Women's Fund members awarded our first grants together in 2020 and you can now join this pioneering UK giving circle to be part of selecting the new grant theme and awarding our next grants.

Why join?

- Your donations are pooled to make a significant impact in the local community
- 100% of your donations (plus any Gift Aid) will be awarded in grants
- Gain first-hand knowledge of the philanthropic process
- Strong community of women from all walks of life to inspire and encourage you
- Inspiring events and visits to local organisations, hearing from community leaders
- Opportunities to learn, network and get involved in the grantmaking process
- Close connection with the impact that we are achieving collectively

How it works

- Each member donates £25 per month (or £20 plus Gift Aid) or more if they wish
- As a member, you will participate in deciding how the membership funds will be allocated to make the biggest impact - each member has an equal vote
- Every pound and Gift Aid you donate will be awarded in grants - there are no costs thanks to our dedicated volunteers and St John's Foundation's hosting support
- Membership is open to all women - any age, interest or background. Men are welcome to join too. We are building a diverse and inclusive membership and have opportunities for sponsored membership - please contact info@bathwomensfund.org.uk for details.

To join

- Complete the attached membership form and Gift Aid declaration to set up the standing order for your monthly donation
- If you would prefer to make an annual donation and/or set up the bank transfer yourself, please contact info@bathwomensfund.org.uk
